

## **ESG Statement**

Winslade Manor Ltd cares about the sustainability issues that are affecting our environment and want to do our bit to help and as such, all our venues.

### **Water saving**

Water consumption is monitored and reduced where possible.

### **Energy efficient lighting**

Energy efficient motion sensed lighting is fitted throughout our spaces.

### **Energy efficient**

Both commercial kitchens feature induction cooking technology to minimise energy wastage.

### **Food wastage and miles**

We monitor and reduce food wastage at each site and also try to reduce food miles as much as possible by sourcing food locally and utilising seasonal produce.

### **Accessibility**

Due to the age of our building, there are some period features of the architectural mix that might make access difficult for people with limited mobility.

Please call The Manor to discuss your individual accessibility needs with them prior to booking to ensure the perfect visit.
